Pakistan Journal of Social Research, Pakistan Journal of Social Sciences (PJSR) is HEC Recognized "Y" Category journal, publishes scholarly articles quarterly (Winter, Spring, Summer & Fall) through a double-blind peer reviewed process. It provides a platform to the researchers, academicians, policy makers and scholars to present perspectives on current issues in the domains of Social Sciences. The Journal is managed under a well-known registered society of "Health Education Research Foundation." The PJSR welcomes original and novel ideas in the form of primary research, review articles and case study-based articles. To facilitate authors, the journal also welcomes book reviews. The submissions with PJSR processed through a rigorous desk review by the professional editorial team, then the plagiarism check, and compliance assurance with the scope and format of the journal. After that articles are sent for a double-blind peer review by national/international reviewers before consideration for publication. In this 21st century turbulent world, PJSR is hereby serving the society by addressing the issues with solutions presented in original and novel research.
